

NRC FACTS

1. NRC is known for making a positive difference in Indian country.
2. NRC is the largest Native American-serving charity, and we assist 65 reservations in 11 states year-round.
3. NRC works with more than 1,000 reservation partners, who identify needs on the reservations and help NRC deliver its services.
4. NRC has about 25 different services that are available to our reservation partners.
5. NRC provides over 5 million pounds of much needed goods to our reservation partners each year.
6. We help improve quality of life for one quarter of a million Native Americans each year – including more than 20,000 indigenous students.
7. NRC receives about \$40 million worth of donated cash and goods a year.
8. Over 70% of NRC's receipts go to reservation and education programs.
9. We focus on poverty-stricken reservations where members have limited access to education, healthcare, and basic necessities.
10. Our support comes from gift-in-kind donors and individual Americans who are concerned about living conditions on America's reservations.
